

2007 Christmas and New Years. Hi from Linnis & Susan Perry

**From Linnis & Susan
To You A Wonderful
Merry Christmas
And A Tremendous
Happy New Year!**

We can't think of anything better than coming from overseas to be with our immediate family and the family we have in Christ. You, our brothers and sisters that we have in many churches and nations are wonderful beyond our expression. We are so grateful to the Lord for His goodness letting us know you!

AS we have traveled this year, we have been reminded of the trust in the Lord that has been exhibited among all our family of believers. So, we want to say loud and clear, we are so blessed and happy for knowing you!!

Just a little about our family.

Ward, our son in law, is still working for Pierce County in law enforcement. Michelle, his wife, our daughter, is still working for Mary Kay as a Senior Director. She has her second car. This year Sharayah got braces and has learned to drive. The remainder of their children are having fun at the YMCA. Since they home school, this is part of their daily schooling. Swimming and soccer are part of their activities. The children are spread in age from Sharayah at 17 years to 6 years with Edward.

Kye, Cathy's husband, still is in law enforcement, she a cosmetologist, is styling hair. The children are spread in age from ..Beau at 17 years to Gage at 17 months. The two girls in the middle, Lexi and Blessyng are into staying overnight with their friends and living every moment to the fullest! They have enough knowledge of creation vs evolution to spin the head of the normal evolutionist! Christ and His word wins in this home.

Mike is actively involved in real estate investing. The area of Tacoma, he says, is in a good time for those who can do the deals. His two girls are both teens. Next week, the eldest, Audrey is having her big 17th birthday. Grandpa has set a date with her. It will be great! Grandma will come along so she won't feel pressed out! Also, she is a real driver now! Cars I mean! Brit, his second, has lost something we have been looking for.....we know it is somewhere...but we can't find it yet....her smile. She once had a big one, but now it is very elusive! But, we are hopeful we will find it again SOON!

Our prayer for you and your family, church and vision....May each of us have our vision be clear to see as we follow the leadership of the Lord Jesus Christ during this coming year. May 2008 be the year we see more clearly than ever before!

Our love to each of you in particular! Linnis & Susan Perry
